

favourite Bereavement Service

Susanne Pretty and Jeff Scott are changing funeral services with Peaceful Transition, a fully licensed funeral establishment that can offer all the merchandise and services of a traditional funeral home, at a fraction of the cost.

“Our business is appealing for those of us who prefer alternative choices from customary services offered by most funeral homes such as embalming, long visitations, over priced caskets, concrete vaults and urns,” says Susanne. “We’re proud to be the busiest funeral home in Simcoe County.”

The goal at Peaceful Transition is to provide the families they serve with affordable and practical alternatives and options to the escalating costs found in many traditional funeral homes.

“When people ask if they can have a cremation and scatter the cremated remains at the cottage, we say absolutely,” says Susanne. “You can celebrate and memorialize your loved one any way you want.”
